

**An excellent innovation
ON LINE & LIVE
IN THE INTERNET WITH ALL COUNTRIES
THE EXHIBITION
ENERGY - PHOTOVOLTAIC '10**

21-24 October 2010, Athens Greece

We are doing a very big step ahead and our exhibitions will be connected live in the internet using a special program.

Everybody, from any country, who wishes to see the exhibition, but cannot be a visitor, he can do it by a usual internet connection.

Everyone can enter in our web site www.leaderexpo.gr and according to the instructions, he can be connected with the exhibitions and conferences to see in live motion everything working.

Every internet visitor who will be connected with our web site:

- 1) Can see THE EXHIBITION working in live motion, and will have also a view of the exhibitor's stands
- 2) Also he can to get in contact with any exhibitor he prefers to communicate.
- 3) The conference "ENERTECH '10 will also be live in the internet
- 4) Every exhibitor, who wishes, can be connected with the "Special connection program".

This program will give the chance to the visitors to stay, for 10sec., to each stand only of the participated exhibitors.

All the information will be on our web site www.leaderexpo.gr after 1st August 2010
